10 v.

11 DOUBLE DOWN INTERACTIVE, LLC,

12 Defendants.

Cause No. C18-0525RSL

ORDER RENOTING DKT. # 165

14 There are currently four motions pending in this case, and defendants have contacted
15 Chambers in the hopes of scheduling a telephonic hearing under LCR 7(i). Having quickly
16 reviewed the various memoranda submitted by the parties, including plaintiffs' response to
17 defendants' argument that plaintiffs should not be permitted to seek class certification until they
18 complete their document production and provide a reasonable amount of time for the parties to
19 schedule and take plaintiffs' depositions, it is hereby ORDERED that:

21 Plaintiffs' motion for class certification and preliminary injunction (Dkt. # 165) is hereby
22 renoted to April 9, 2021, while the Court resolves defendants' motion to strike the nationwide
23 class allegations (Dkt. # 128), defendants' motion to dismiss or abstain (Dkt. # 138), and
24 defendants' motion for protective order and to compel discovery responses (Dkt. # 159). The
25 request for a telephonic motion is denied.

1 If defendants consider the depositions of the named plaintiffs necessary to their ability to
2 respond to the class certification and injunction motion, they shall immediately notify plaintiffs,
3 and the parties shall cooperate to schedule and conduct the depositions by March 24, 2021, so
4 that defendants have the desired information prior to the new response deadline.
